VISION FOR THE NEW SEASON

This year our vision is different than other years. In the past we have had a word for the year, but this time we have a word for the season, “**Kingdom**”. This season will be broken down into different aspects of the Kingdom starting with **2016: Kingdom outside Church**.

Jacinda and I feel it is time to anoint and deploy (H.O.B.O’s vision). The question is, what does deploy look like and how do we do it? It’s the season to be more practical, hands on and proactive. This year is less about discipling & equipping (but there will be some of that) and more about you taking what you have learned, along with your gifts, passion and obedience and crossing that line from the church door to the market place. It is our season to make a difference and to extend into areas where we haven’t been before.

What do all these things have in common?

- Sports teams
- Boards
- Business
- Clubs/groups
- Neighbourhoods
- Work places
- Schools

They all need to be infiltrated with the Kingdom of God! They are all market places that you can take the Kingdom of God to. Our whole reason for existence has to be to extend the Kingdom of God into the world, and this will not happen by sitting in church shining our light and saying “yay what a happy bunch of people we are”, there must be an **action**. There has to be a **reaction** inside you, a reaction to what God has done for you.

As your pastors we believe that you are ready to be sent, that you are disciplined & equipped for this season. We believe that you are strong enough to influence the world with the love of Jesus and not be influenced by love for the world. **Read Matthew 9:35-38(NIV)**

As a church we need to keep our relationships strong, we need to communicate well and the church needs to be that safe place for you to come when you need a rest, prayer, help, advice. But our focus is getting out of church and into the world with the message of the Kingdom. Are you ready?

God bless

Ps Damien & Jacinda
